March 19, 2020

5:30 - 7:30 PM

Verrill Law Offices | One Portland Square, Union Street

REGISTER HERE

Join Cleantech Open Northeast, E2Tech and Verrill in celebrating the launch of the 2020 Cleantech Open accelerator. Learn how the accelerator program can help you develop your venture and how to apply for the 2020 cohort. We welcome entrepreneurs, students, investors, savvy technologists, and those interested in networking with our growing cleantech community.

1-MINUTE PITCH CONTEST

In addition to the party, startups can sign up to give a 1-min pitch for a chance to be voted the crowd favorite & win a prize! Sign up to pitch here.
What is Cleantech Open?

**WE TRANSFORM INNOVATORS INTO ENTREPRENEURS AND HELP GROW THE CLEANTECH ECONOMY**

Cleantech Open is the world’s oldest and largest accelerator and business plan competition for cleantech startups. Cleantech Open Northeast (CTONE) covers MA, ME, VT, NH, CT, RI, NY, NJ, PA, and Canada. We are looking for early-stage technology innovators in Energy Generation, Energy Distribution & Storage, Energy Efficiency, Chemicals & Advanced Materials, Information & Communications Technologies (ICT), Green Building, Transportation, and Agriculture, Water & Waste. The average cohort is comprised of 25-30 startups.

ACCELERATOR PROGRAM: The accelerator runs June to October.

- **Accelerator commences with a 2-day Academy**
- **Each startup is matched with mentors**
- **Online curriculum includes 8 Essential Business Deliverables**
- **Attend 5 of 10 business clinics hosted in NYC and BOS**

REGIONAL FINALS: The accelerator culminates in the Regional Finals competition.

- **All startups present to a panel of expert judges**
- **Investors meet 1-on-1 with startup teams**
- **Regional Finalists present to a live audience**
- **Regional Winners earn cash and in-kind prizes**
