

SUSTAINING PARTNER PROGRAM

HELP **STRENGTHEN**
MAINE'S ECONOMY

MAINE'S energy, environmental, and cleantech economic sector employs 12,000 workers and generates more than \$1 billion of value annually for the Maine economy.

\$1 billion
annual value for
Maine's economy

E2Tech is the only organization fostering business opportunity in this high growth sector - connecting companies with resources to make them even stronger.

We are seeking investment so that E2Tech can continue to:

DELIVER business development resources
FACILITATE quality connections within Maine and throughout New England
ATTRACT companies and talent to Maine
GENERATE additional funding from private and public entities

In return, E2Tech will provide you with extra promotional opportunities for your company and its products, services, and activities!

12K
workers in
Maine's energy,
environmental
and cleantech
sectors

We need your help
to continue to expand
this high growth sector
of Maine's economy!
